

INTENT TO RETURN FORM

In order for the schools in the ASCA to effectively register students and plan for the 2010-2011 school year, it is imperative that we know how many students will be enrolled in our school at each grade level. The first step in this process is the *Intent to Return Process*. This is an opportunity for families to inform us if it is their intent to have their child(ren) remain at their current school next year.

Please, indicate your intentions by completing this form and return it to school by February 8, 2010. All ACSA schools have continued to make great academic progress and as a result, seats in our schools are in great demand. **We will be able to hold a seat for your currently enrolled child only if this form is completed and returned by February 8th.**

I intend to have my child return to ACSA during the 2010 school year.
